**ADRIANNA  
LUNA**

### **Loony foe Luna**

I'm not necessarily a big fan of porn actresses, but for some reason, I'm definitely enamoured with Adrian-na Luna. She sweet and she's nasty. She's pretty and she's foxy. And she's sexy because she likes to fuck. I see a passion in her that I don't see in a lot of girls. I haven't seen a lot of her videos or photo layouts, but from what I can, I like what I see. In the future, I hope I can find a girl a lot like her. I'd treat her like a princess and a whore. She'd be happy with all I can do and all I can give her. And we'd make love every single night of the year!

— Skip, Maine

**SALLY  
CHARLES**

### **Danger from down under**

I had nothing to do last weekend, and as most of them, I was horny as hell. My girlfriend was visiting family in South Florida for a couple weeks and I've been holding back all week. But my hormones have gotten the best of me and I went to the newsstand and found your mag with Tera Patrick on the cover. Tera had been one of my favorite stars over the years, but when I went inside the issue and saw Sally Charles, I was in Aussie heaven, because I'm an Aussie too, from Melbourne.

— Roy, Chicago

### **There's something to love about Mary.**

Last month Mary and I decided to go camping. We were staying in a cottage after getting out our gear, we gave each other the 'look' as we called it. Mary immediately knew what was on my mind. Since we hadn't slept together for almost a year, we were hot and horny for each other. Within minutes we were naked on the bed. Her body is slim, hard and smooth. As I lay on my back, rubbing my clitoris feverishly and feeling my swollen pussy lips getting wetter and hungrier for Mary's tongue. Instead, she pulled a thick, black dildo out of her backpack and lubricated it with her own pussy juice. Then she shoved it, hard and fast, into my pussy, making me moan and scream with delight. I was experiencing all the pleasure of having a gigantic, ten-inch prick inside my pussy as well as the obvious benefits of having a gentle, considerate female lover. That's what I love about Mary.

— Celeste, LA

### **Thank you! Thank you! Thank you!!!**

Thank you for a splendid layout of the sensational Tera Patrick. There are few women more attractive than she is, whether they are in porn or not. She's more beautiful than almost every supermodel and, obviously, more sensual. I have had the pleasure to have my photo taken with her over the years at the annual AVN show in Las Vegas. She always was accommodating when I asked to have a photo taken with her. By the third year, she even remembered my name even though it's a year between shows.

Thank you for the photos of her before her transformation into a tattooed moll and seemed to lose her naive charm and innocence, even though that seems kinda contradictory to say about an adult star. Nonetheless, I still admired her from afar and she still remembered me at her last shows. She'll always be in my top three list, no matter who comes into the business. I hope she has a chance to read this letter and accept my 'Thank you' for all the years we spent a few minutes together.

— Casey, California

**MARIE MCCRAY

**RACHEL ROXXX**

**Adventurous is my middle name,**

Especially when it comes to fooling around in unusual places, like loading docks with a blindfold. It's the type of 'take-me-here' fantasy we all have and I can make mine come true. As I waited for the lighting to be just right, I got too excited about having sex on the dock that I had to start without him.

Needless to say, it took the crew much longer to finish the set up.

# THE MAN CAVE

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Mrs. Fisher's apartment, was only about a ten minute drive from my man cave. I hauled myself out of my comfort zone and walked up the steps of her apartment building. I opened the door where there was a polished oak desk with an old man sitting behind it. As I walked past him, he didn't even glance up from the newspaper he was reading to see who I was. I walked to the elevator pressing the tenth floor button. I quietly hummed to myself as it ascended. After it stopped, the doors slowly opened to reveal a long, wide hallway with oak floors and paintings on opposite walls. I walked slowly down the hall, looking

at the numbers on the doors. I stopped at number 442, where I gently knocked on the tall white door. It opened, revealing Mrs. Fisher in one of her usual skin tight outfits. I had to stop myself from wanting to tear those clothes off her.

'Come on in, Clint.' she said with a smile, as I walked past her into her tidy apartment. She had pictures of herself and family members or friends on the walls. Her furniture was all leathery black with a flat screen television in the family room. The kitchen, from what I could see, had oak cabinets with gleaming marble

counters and a stainless fridge.

"Do you like my house?" she asked, noticing me looking around.

"This is a really nice apartment." feeling so stupid after I spoke those words, but she just smiled at me.

"I was going to take a quick shower before you got here, but I guess you came quicker than I expected." she said.

"I can wait if you still want a shower." I said with a smile. She smiled and then said, "Okay, I'll be back in ten minutes." She left towards the bathroom.

I took off my shoes and strolled around the house for a bit. I then sat on one of the black couches. I could hear from the bathroom, the sound of a tap being turned and the sound of a zipper. I immediately thought of Mrs. Fisher getting undressed with me being not even fifteen feet away. I could feel my cock begin to throb. I looked over and saw that the door to the bathroom was ajar, meaning that if I walked over to the kitchen, I could probably see her. Slowly, I crept to the kitchen, hoping she wouldn't glance towards me.

I managed to quietly walk towards the door. I peeked inside, seeing her bending over, her back towards me as she was turning off the bath taps. Then, she turned around. My heart jumped as I saw her begin to take off her shirt. She was wearing a black, lacy

bra underneath. She then proceeded to take off her pants. She slowly, took them off, almost in a strip-tease. I had a lump in my throat the size of a baseball as I watched her finally take the pants off from her ankles. I watched as her beautifully nude figure got into the tub.

**I then proceeded to enter her pussy with two fingers, shallow at first, and then deeper, as I gently finger fucked her.**

I went back to the living room imagining her rubbing her body with soap and rinsing off with sensuous beads of water falling in slow motion down her body. I heard the water spiraling down the drain and I decided to go back for another sneak peak, hoping she would be toweling herself dry.

Caught!

"Clint, what are you doing?" she said with a puzzled look on her face. "I'm so sorry." I said, trying to make a desperate excuse as to why I was watching her.

"It's okay." she replied with a smile, "I think that you've been watching me for quite awhile. Why don't you come here and show me what you can do." she said with a wicked grin. My brain wasn't thinking but somehow my feet managed to stumble over to where she was standing.

The very first kiss that night was the most memorable. Her lips were perfect, and I could smell the

# THE IMAN CAVE

GREAT  
BOSSSES

aroma of her bath soap. That moment, time itself seemed to stop as she started unbuttoning my shirt.

She was quickly at my jeans, opening the button and pulling down the zipper. Her hands were flashes as she quickly pulled down my jeans. This time, I kissed her, more slowly, more romantically. I soon began kissing down towards her neck as I ended up near her firm full boobs. My mouth found one of her nipples and I started sucking on it and pinching on the other one. She let out small moans of pleasure as I switched back and forth between them. I led her over to her oversized bed as I continued downwards.

I worked my way down towards her stomach, then lower where I teased her pussy with small butterfly licks, making Mrs. Fisher cringe and let out a soft moan. I then proceeded to enter her pussy with two fingers, shallow at first, and then deeper, as I gently finger fucked her. I could feel that she was about to cum but I wasn't done yet. I then licked the inside of her pussy with my tongue. That sent her over the edge as her body tensed up and she came all over my mouth, dripping her sweet cum onto my chest.

Mrs. Fisher seemed to recover quickly and pushed me onto my back on the bed. She then took my box-

ers off and my rather large nine inch cock popped up to greet her. She smiled as she began stoking it and massaging my balls. She began stroking my shaft at a slow pace, then up to a steady rhythm. I could feel my shaft begin to engorge even more, signaling I was going to cum soon. She must have felt it too because she stopped stroking and started to lick the pre-cum off the head of my cock.

She then put the whole head of my cock in her mouth. Soon, my cock exploded and I let out a huge moan as I felt my cum spurt into her mouth. As I finished, she began milking me, sucking the rest of the cum from my cock. She then laid me on my back once again and started to mount me. I could feel, as soon as she put her pussy on my cock, that she was tight. She slowly began moving her hips, each time thrusting my cock deeper into her pussy. Then picks up the rhythm faster. Moments later, she let out a moan of intense pleasure as she came. I could feel my cock start to pulse again and then, as I let a loud groan, I filled her pussy with more ropes of my man essence.

I had to leave, but I didn't want to. I said that I would come back so we could finish the marketing report. She just smiled and said that she would be waiting for me on Monday for another "meeting."

### Have fun today.

I'm a woman of few words. I like to let my actions speak for me. I won't say that I'm going to blow you, I get down on my knees and do it. I won't ask you to fuck my pussy. I'll just grab your cock and put it there. As far as my ass? You can stick a finger in but you'll have to talk me into more. But if you want to watch me fuck, go to your computer or mobile device and tune me in with the promo code. If you want to hear me fuck, then call me now. Both codes and phone numbers are here for your stroking ease. Trust me. I told you so.

## I'm earning my A!

My grades suffered last semester and I need to bring them up. I tried hard to study, but that hasn't helped much. I even took long naps to clear my head but that didn't work. So now I have to use my wits and... wait... up, hard, long, head. That's it! Off to my prof's office and it's time to up my grades. I don't think he'll be able to resist. I mena, look at this booty. How can any man resist... Got me an A!

# INTERVIEW

PRETTY  
IN PURPLE

**AMY RIED** My fans will know that I've drifted in and out of the business, but I always have appreciated their support. They've watched my career change through the years and they've stayed with me. I'll appreciate them for years to come.

**H**ave a seat. I've been waiting to talk with you. Hope the traffic wasn't too bad this morning. So now, you have my undivided attention.

**Fox:** Thanks for the invitation. The traffic isn't too bad at six in the morning. Are you always on set this early?

**Amy:** That depends on the job, and the director. There are some that want you there all day even if your scene isn't until the evening.

**Fox:** Why? That doesn't seem right. And are you paid to wait around?

**Amy:** They ask many models to come in early so they are there ready when their scene is starting. I guess you call it a type of insurance. And yes, they pay a little bit more to have me there all day, but that's cheaper than having to pay a crew or location for late hours.

**Fox:** I hate to use the word 'veteran' but you kind of are one of the longer lasting in this business.

**Amy:** I hate to say but it's been over ten years, and I've loved almost every minute of it. I started around eighteen doing girl-girl and solo masturbation scenes. Then I started doing guys and the rest is Amy-history.

# AMY RIED

---

**Fox:** We're pretty sure that you know what's been said and written about your body and boobs. Care to elaborate?

**Amy:** *Not really, It's all been said before. But there is one time not too many know about. I was doing a scene and came out to the set in a bathrobe. I only had a garter belt, stocking and pumps on, red. There was a young guy, naked, on set who had just finished his scene without finishing, if you know what I mean. Well, the director told me to go over in front of him and open my robe. So I go over and stand three feet in front of him. We had never met, so I opened the robe and introduced myself. He came right there on the spot. Unfortunately the director missed his money shot, but got one later.*

**Fox:** When did you decide to fuck guys on camera, and do you remember your first one?

**Amy:** *I don't remember the exact date, but I had been in videos for about three years before I did guys. I wish I could remember the first one, but honestly, I don't, but I don't think he's in the business anymore.*

**Fox:** In addition to switching between sexes, you've switched between hair colors. Is there a reason you've changed your hair so much, besides it being a woman's prerogative.

**Amy:** *(Chuckles) Well, there have been times that directors have asked if I would change my hair color for one reason or another. Mostly I was asked to go blonde. I've been a redhead, auburn and brunette. I think I like my natural hair color the best, a dark sandy blonde.*

**Fox:** Would you mind if we explored your anal history on video for a moment?

**Amy:** *Not at all. It took me a long time before I gave up my anal cherry. Again, I don't remember when or to whom. It took a while, and practice.*

# AMY RIED

---

**Fox:** How did you practice that?

**Amy:** Mostly by myself and a few times in my private life. I had a little finger dildo that slipped on my finger like a thimble. I'd lube it up and insert it slowly until I got used to it. Then I increased the size and finally did it with my boyfriend at the time. Now, I'm used to it and like it.

**Fox:** Do you cum that way?

**Amy:** Of course. It took a while before I understood that I could cum that way. When I did, it made it much more pleasurable.

**Fox:** Do you have future plans for yourself in this business?

**Amy:** If I knew, I would tell you, I think. Right now, I'm still enjoying what I do. The people I've met and friends I have made are invaluable. I don't think I have an interest in producing or directing, but you never know.

**Fox:** OK, finished. Now you can show us your boobs!

### Yes, I have a kinky side.

Fortunately for me, I have a really kinky boyfriend who just spent a lot of money getting us new toys for my birthday. Now we get to play with them, but only if I don't forget about him and his wonderful fleshy cock. Then it's on to the rubber ones and they're fine, too. Just you watch!

The doTERRA ATHLETE'S KIT

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

\* The doTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own doTerra business.

ALIZ

### Teacher needs some help.

It was a long day for Aliz and she had just finished grading today's papers. That's when Choky comes in with his long mop and bucket ready to do his job. She had never stayed this late before, but thought she should thank him for all the giving her a fresh clean room every day. The chairs neatly arranged, the baskets empty, and the floor always spotless.
